President’s Report
Mr. Neats reported that he and Mrs. Riskind met with Mayor Schmelz for a tour of the Library. Mr. Neats attended the Friends meeting. The Friends acknowledged the card from the Board of Trustees thanking them for everything they do for the Library.

BCCLS and Friends
The BCCLS Advocacy Committee meeting was postponed. Mrs. Tendler should have a better sense of programming at the February Board meeting. Mrs. Tendler mentioned that the State Library has increased the minimum required hours for Trustee Education from three to seven hours per library.

The Friends’ Growing Tree fundraiser did not produce as much revenue as they had hoped. The Friends will purchase the projector for the Children’s room from other funds.

The next Dining-to-Donate fundraiser will be held at Matthew’s Diner on Tuesday, February 18th through Thursday, February 20th from 6 am until midnight. Please come out and support the Friends. The Friends purchase items outside the normal budget from these fundraisers.
**Building & Grounds**

Mrs. Riskind reported that we are still waiting for the phone system to cut over to the Board of Education’s FIOS network.

Mrs. Riskind prepared a Capital Budget request for the security system and forwarded it to the Borough. There has been no further communication.

**Personnel**

Mrs. Riskind updated the Board on filling the part-time maintenance position.

Mrs. Riskind reminded the Board of her recommendation to redirect funds from the full-time maintenance position to create a full-time Librarian Intern position in the Children’s department. There are people who are actively recruiting Children’s personnel from our Library. The Children’s department is one of the busiest in the Library and needs to be supported.

A motion was made by Mrs. Phipps, seconded by Ms. Sierra, to authorize Mrs. Riskind to offer the full-time Librarian Intern position to the person most qualified to fill this position with a start date in February to be determined by the Library. All in favor. Motion carried.

**Director’s Report**

The Annual Report was distributed.

Mrs. Riskind received a phone call from Cynthia Harris of the Jersey City Public Library thanking the Bergenfield Library for the Minolta microfilm/fiche reader for their New Jersey Room.

Despite the weather, the Library managed to stay open as much as possible. Country Green Landscaping is doing an excellent job keeping the Library clear of snow and ice.

NJLA’s statement on Charging for Public Library Services was distributed and discussed. NJLA is against charging fees for public library services that are paid with taxpayer money. BCCLS By-Laws also states that libraries cannot charge for library services. Some libraries have been charging for services such as out of town materials, computer use, or story times. Mrs. Riskind responded to questions about services for which Bergenfield Library does charge, such as photocopying and notary.

Dr. Bryan Meadows, a professor from Fairleigh Dickinsen University who is compiling a research paper on our ESL program, has asked for a one month extension to finish his project.

Mrs. Riskind summarized the reasoning for administering the Oath of Office to Trustees.
