Attendance at the Tuesday morning programs is increasing. The Friends have committed to purchasing two projectors, one for adult programs and one for the Children’s department, and a Blu-ray DVD player. They are also purchasing several children’s computer games and a series of Dr. Who science fiction materials. A $500 check was received from Matthew’s Diner for the recent Dining to Donate fundraiser. The next Dining to Donate will be at Tommy Fox’s in April. A flyer will be distributed at the next meeting. Policy
Discussed under Old Business.

Strategic Planning
Mrs. Tendler read the committee’s mission statement. The mission of the Strategic Planning Committee is to ensure the goals and objectives of the Library’s Strategic Plan are being met and to report to the Board their findings, both successes and those areas that require strengthening. The committee will encourage participation of community volunteers especially in the outreach event.

Mrs. Deauna is chairing the committee to celebrate the anniversary of the Philippine Independence Day and to honor people who served in the Philippines during World War II. The Philippine Independence Day will be in June and another event in October celebrating Philippine Heritage Month.

Director’s Report
Mrs. Riskind reported that Maplewood Library is officially on board with BCCLS making it the 75th library in the consortium.

Our new maintenance person is doing a terrific job. He’s been replacing ceiling tiles and has done some spot spackling and painting. He noticed that the pitch of the membrane is going the wrong way around the drains causing leaks. He’ll try to build up the pitch on the drains so water doesn’t collect around the area.

The Circulation Department has brought up a concern about teens taking out DVDs that are not rated PG13. At this point, any DVD that is rated more than PG 13 is supposed to be taken out on an adult card, but this is hard to monitor. The Circulation Department feels it should be the parent’s responsibility to monitor what their children are taking out. Teens can take out any book from the Library but the restriction is only on DVDs. This will be brought up to the Policy Committee at a later date.

Trustee Education
A memo from the New Jersey State Library was distributed explaining what is needed for meeting State Aid requirements. The 2013 State Aid Report was also distributed.

Old Business
The revised Nepotism Policy has been reviewed by the Library’s attorney and distributed for discussion.

A motion was made by Mrs. Chittum, seconded by Mrs. Tendler, to approve the Nepotism Policy as presented. All in favor. Motion carried.

The Borough Administrator said that Capital Funds are now available for the security cameras.

New Business
The next Strategic Planning Committee meeting will be on March 31st. All Trustees are invited to attend.

April is National Library Month. Mr. Neats suggested having a breakfast for the Library staff as was done last year in appreciation for their dedication and hard work. The breakfast will be on Wednesday, April 23rd at 9:00 am. Trustees are invited to attend.

Public Portion
No report.

Adjournment
