

Mango is an online language learning program available to Bergenfield cardholders thanks to generosity of the Friends of the Library. Take courses in **more than 60 foreign languages** or English courses for foreign speakers. You can even download the Mango app for your smart phone or tablet.

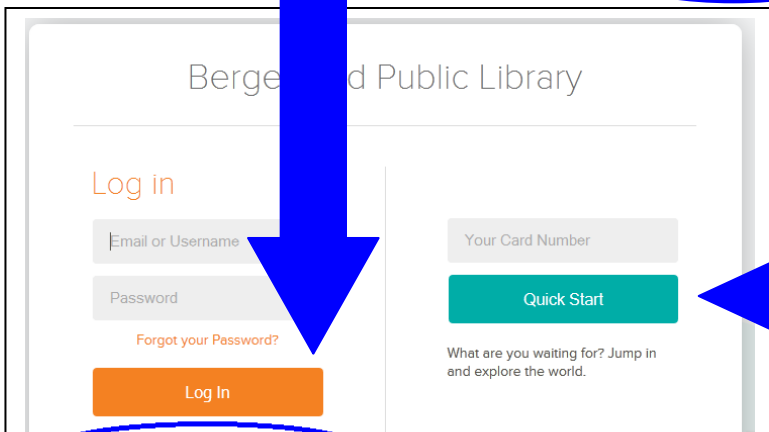

1. Go to bergenfield.bccls.org. Scroll down the left side of page and click on the **Mango icon**.

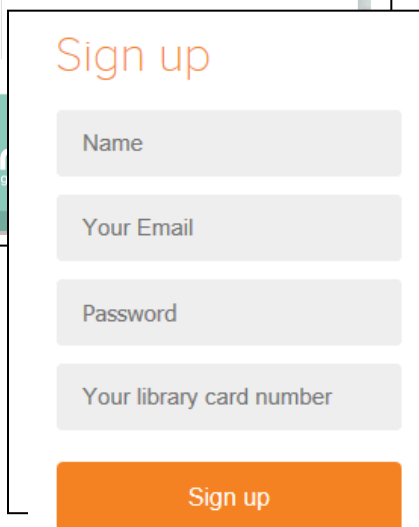

2. Sign up for a Mango account by clicking **“Don’t have a profile? Create one now”**

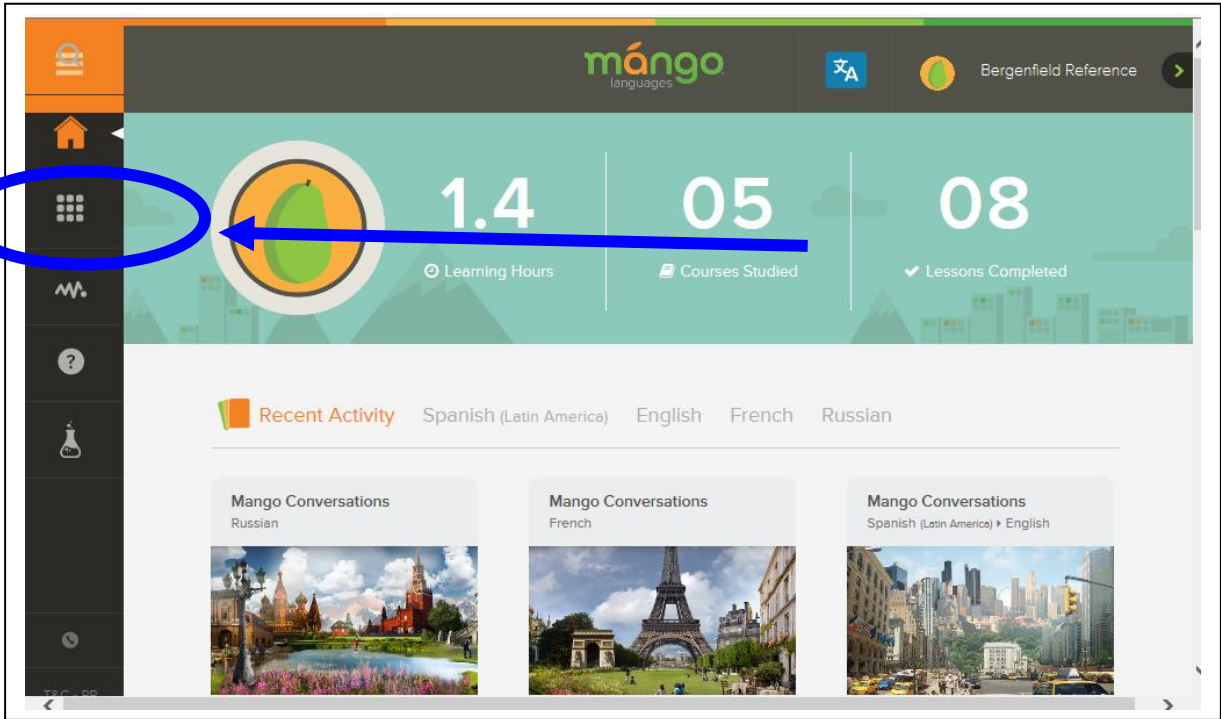

3. You can also opt for **Quick Start** and explore or take Mango courses simply by entering your library card number.

4. Creating a Mango account allows you to organize and keep track of your courses. To sign up, enter all fields including **Name, Email, Password** (at least 6 characters) and **Library card number**.

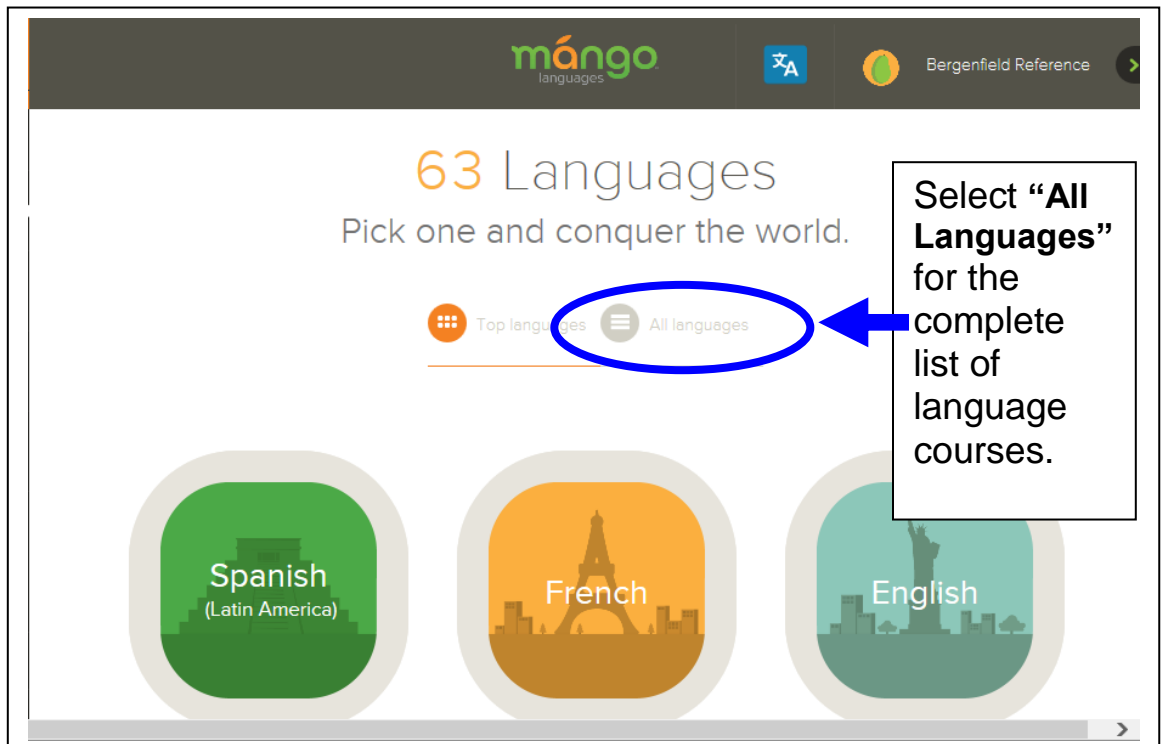

5. Your account is created and you are on the **Mango landing page**. Here you can see the courses studied and lessons completed. To get started with a language, click on the language icon to the left.

5.

Click on the language you want to learn and begin!
(Adobe Flash Player is required for Mango to operate on a computer).
