BCCLS and Friends
The December Friends meeting was held at Matthews Diner for lunch. They are not having a meeting in January. The next meeting is scheduled for February 1.

BCCLS is going through many changes. BCCLS is in the process of accepting applications for their Executive Director. It is hoped that a new Executive Director will be hired by the spring. The State has negotiated a contract with a new delivery system starting in January. Patrons will not be able to request books after today to clear out the backlog of hold requests that still need to be delivered before the new system starts. The new BCCLS billing structure was approved at the last System Council meeting. The restructured BCCLS billing formula will increase the Bergenfield Library’s bill by 10% and will be phased in over 3 years. In the past, the BCCLS bill was pre-paid in full in December for the upcoming year to take advantage of a discounted price. Beginning 2018, our BCCLS bill will be paid on a quarterly basis.

Building & Grounds
John O’Brien, our maintenance person, hung a large historical mural of the old South Church in the Friends room in anticipation of the Centennial. It was previously in storage.
**Finance Committee**

The financial summary was distributed and discussed. Discussion followed regarding the CDs that will mature in February. The CDs were opened using money from the Capital Improvement and Special Endowment bank accounts to obtain a higher interest rate than what was earned from the money market accounts.

**Centennial / Strategic Planning**

Plans for the Centennial Celebration are progressing. The Committee is busy obtaining ad journal sponsorships for the event. Oral history interviews have begun, starting with Charles (Jim) O’Dowd. The Centennial Celebration event will be held on May 5th, 2018 from 7 pm to 11 pm at the Knights of Columbus in Dumont. The theme is “A Walk Through Time.” Details are still being finalized.

All in favor. Motion carried.

The University Hospital in Newark received a grant from FEMA to host a course about “What To Do Until Help Arrives.” The main intent of the 3 hour course is to educate individuals on what to do in the event of an emergency. Ms. Moonitz would like to offer staff this course in late February or early March on a Wednesday morning. The Library would be closed to the public until 1:00 on that day.

BCCLS is in the process of implementing a credit card payment system for overdue fees through their website. Staff are not involved in the transactions.

The Library has an ordinance on file with the Borough which states that the Library will take a patron to court if they have fines or fees that exceed $30 for lost or damaged items that are not returned within 140 days. The Board agreed to raise the threshold to $50 at the May 2016 Board meeting. Ms. Moonitz is working with the Borough Clerk on how to proceed with making this change to the ordinance.
