Discussion followed regarding the PSE&G electric utility charges, which were higher than normal. Because there was a lag time between the June Board meeting and the replacement computer panel to be ordered and installed, the thermostat had to be temporarily by-passed which resulted in the higher electric bill.

A motion was made by Ms. Phipps, seconded by Mayor Schmelz, that if another physical plant emergency happens, the library director should contact either the library officers or the Building Committee members to discuss emergency measures and take action in accordance with the New Jersey Purchasing Law. All in favor. Motion carried.

Public Portion
Ms. Moonitz introduced Kristie Murru our new full-time library adult services coordinator to the Board.

Correspondence
Thank you notes from Mrs. Chittum and John Capps, from the Reference Department, were read.

**President’s Report**

Mr. Neats attended the Block Party, Comic Con, a Strategic Planning Committee meeting and a children’s story hour. He also met with Ms. Moonitz on several occasions. Mr. Neats thanked the Library staff who participated in the both the Block Party and Comic Con events and also thanked the Trustees who attended. Both events were a big success.

**BCCLS and Friends**

The Friends reported that they made $540 from the basket raffle at Comic Con. They are also accepting school supply donations at the upcoming Bash the Trash event on September 16th at Cooper’s Pond. There is talk about hosting a combined town-wide garage sale with Dumont and New Milford in 2019. The Friends agreed to finance the purchase of meeting room chairs. Ms. Moonitz plans to have the floors stripped and waxed before they arrive.

BCCLS recently had a soft launch to allow patrons to pay their fines and fees by credit card through the on-line catalogue. Bergenfield was the 2nd highest grossing library over July and August. BCCLS will issue payment on a quarterly basis to each library. Staff is not involved with handling the patron’s credit cards or assisting them in any way. Now that BCCLS is promoting this service, we will start promoting it as well. If we want to accept credit cards in-house in the future, there is a special process that the Library would have to go through. More information to follow regarding delivery service at the October meeting.

**Building & Grounds**

Proposed sample plaques for the Centennial ad journal for platinum, gold and silver donors were distributed. The Board decided on the black background with silver text with the Centennial logo engraved on it.

**Finance Committee**

The financial summary was distributed and discussed. The 2017 audit was distributed. No comments or recommendations were cited. The possibility of installing solar panels was discussed.

**Strategic Planning**

Approximately 260 community surveys were received for the new Strategic Plan. The next phase will be conducting focus groups with a variety of groups from the community to help guide the Library’s actions and role for the coming years. Flyers were distributed listing each targeted community group and the dates. The goal is to have the Strategic Plan completed by the December Board meeting. Ms. Moonitz asked the Board to complete the SWOT survey (Strengths, Weaknesses, Opportunities, and Threats Analysis) or attend a focus group so the information can be added to the survey responses. The next Strategic Planning Committee meeting is on September 24th. Ms. Moonitz will present a synopsis of the survey at the October Board meeting.

**Personnel**
Discussed under Closed Session.

Director’s Report
The Borough recently passed a resolution stating their Mission Statement. The Mission Statement was distributed to the Board, staff and a copy is at the Reference desk for the public.

Ms. Moonitz reminded the Board of upcoming events. Bash the Trash will be held on Sunday, September 16th from 1-5 pm at Cooper’s Pond. This event is geared towards conservation, recycling and the environment. The last Centennial related program is the David Grann author talk and book signing on Sunday, November 4th at 2:00 pm. Due to the anticipated attendance, this program will be held in the High School auditorium. David Grann is the author of Killers of the Flower Moon and The Lost City of Z. Mr. Grann will talk about his new book The White Darkness which will be available for purchase at the event. This is a free ticketed event. Bergenfield residents will be given priority. Walk-ins are also welcomed.

A representative from Congressman Josh Gottheimer’s office presented the Library with a Congressional Certificate of Recognition at the 2018 Comic Con event.

Trustee Education
A sample format for a strategic plan from the NJ State Library was distributed. A flyer for the NJ Jersey Library Trustee Institute was distributed. The conference will be held on Saturday, October 27th in East Windsor, NJ. An article about adding a referendum on the ballot raising the millage rate for the Vineland Public Library was also distributed.

Old Business
Restrictions on whether M rated video games and R/PG 13 rated movies are allowed to be checked out on a Bergenfield Juvenile card were discussed. Currently M rated video games and R/PG 13 movies may only be borrowed by adult card holders. Juvenile cardholders are restricted from this, though they have the option to obtain these types of materials from any other BCCLS library. Other libraries do not have this in-house restriction. This was previously discussed by the Board at the January 2016 meeting. Further discussion followed. This will be tabled until after the community is asked for their feedback during the focus groups.

New Business
A sample Employee Evaluation Form was distributed and discussed.

A motion was made by Ms. Phipps, seconded by Mr. Langshultz, to approve the Employee Evaluation form as presented. All in favor. Motion carried.

A motion was made by Ms. Phipps, seconded by Ms. Michelson, to go into Closed Session at 9:30.

A motion was made by Ms. Phipps, seconded by Mayor Schmelz, to re-open the meeting at 9:35.

A motion was made by Ms. Phipps, seconded by Mr. Langschultz, to approve keeping the medical waiver the same as currently in place, which is the maximum amount of $5,000 payable quarterly, on a case by case basis. All in favor. Motion carried.

Adjournment
A motion was made by Ms. Phipps, seconded by Mayor Schmelz, to adjourn the meeting. Meeting was adjourned at 9:40 pm.
