The Committee will be reaching out to other organizations in the community to participate in the celebration.

BCCLS and Friends
The Friends met last week and are still planning on going forward with the town-wide garage sale in partnering with the New Milford Library or possibly the Garden Club and the Historic Museum. At BCCLS’ System Council meeting, it was announced that test runs for the delivery service will begin in March. The goal is to be fully functional by July.

Building & Grounds
The Library is currently experiencing issues with a phone line that is connected to one of the dialers for the fire alarm panel. Verizon was here to fix the phone line and accidentally bumped into one of the wires connected to the alarm panel. We are currently working on getting this fixed. The Centennial plaque of donors has been received from Arista and is available for viewing at the end of the meeting.

Finance Committee
The financial summary was distributed and discussed. A donation of $725 was received from the Church of Good Shepherd without any stipulations on what this money is to be spent on. The question was raised as to which account this check should be deposited.

A motion was made by Mayor Schmelz, seconded by Mr. Shiner, to deposit the check from the Church of Good Shepherd into the Library’s Special Gifts and Endowment Fund account. All in favor. Motion carried.

Other metrics were included to measure Library use such as quiet study room and room rentals. Staff gave out a variety of over 500 books to local children at the Holiday in the Pond event.
